

IN THE SPECIFICATION

Please amend the paragraph added in the amendment filed February 3, 2005 at page 18, between lines 23 and 24, as follows:

At step ~~[[S7]]~~ S6, a check is made as to whether “i” is greater than, for example, 24 as follows: If “i” is greater than, for example, 24, the procedure goes to step S7; otherwise, the procedure goes back to step S2.
